Claire is an experienced teacher with 13 years' experience. She has worked across all key stages, but her passion lies with EYFS and KS1. Over the last 7 years, she has worked as a Reception class teacher, leading EYFS. She has worked at Kentmere Academy for the past 3 years as EYFS Manager. She ensures that children at Kentmere Academy are given the best start to their education through outstanding teaching and learning and supports other schools to improve standards within EYFS.

Current Leadership Responsibilities

Claire is an experienced middle leader. She is currently the EYFS Manager at Kentmere Academy and has driven improvements to bring EYFS from special measures to outstanding at the recent Ofsted inspection. She is responsible for upholding the high standards within EYFS, ensuring that outstanding learning environments and teaching are maintained throughout. She also ensures the termly analysis and moderation of EYFS data, putting support in place for specific children and further monitoring the impact of this. She is also responsible for the transition from EYFS to Y1.

Claire leads phonics throughout the school, leading whole school insets, conducting observations and supporting colleagues through model lessons. She has also recently supported another school with their delivery of phonics within EYFS and Y1 and supported the tracking of data towards the Y1 phonics screening test.
