Dear Parent/Carer

Consultation – School holiday dates for 2020/2021

The governing body of the school are considering changing the holiday dates to reduce the length of the Autumn Term. As a result we are proposing that from September 2021 we reduce the Summer holidays by one week and increase the Autumn half term, usually in late October, to two weeks.

Governors would like to hear your views and ideas on this proposal. If you have any feedback please do either come and see me or email the office on office@kentmereacademy.co.uk by Thursday 28th March 2019.

Best wishes
