Year 3/4

Design & Technology Lower Key Stage 2

In year 3/4, children design, make and evaluate the following D&T projects...

Tremors: Structures

A Pompeii-inspired model pavilion to withstand an earthquake.

Potions: Electrical Systems

A Harry Potter themed static electricity game for children.

Gods and Mortals: Cooking and Nutrition

Greek bread to be served for a Greek banquet.

Gods and Mortals: Textiles

Greek-inspired fabric headwear to be worn as part of a Greek child's dress-up outfit.

Burps, Bottoms and Bile: Cooking and Nutrition

Japanese fruit skewers with plum sauce and a savoury filo tart that uses seasonal vegetables to be served at lunch time.

Tribal Tales: Mechanisms (levers and linkages)

An interactive version of the story, 'Stone Age Boy' to accompany a class display.

Scrumdiddlyumptious: Cooking and Nutrition

An innovative biscuit for Willy Wonka's factory.

I am Warrior: Structures

A castle fit for an English warrior.

Traders and Raiders: Electrical systems and Structures

An animated, programmable, free-standing Viking statue.

Flow: Mechanisms (pneumatics)

A moving fish toy for a young child.

Mighty Metals: Textiles

A felt sleeve for the book 'The Iron Man'
