Year 5/6

Soaring to success

Design & Technology Upper Key Stage 2

In year 5/6, children design, make and evaluate the following D&T projects...

Tomorrow's World: Electrical systems

A programmable, electric spy car for Alex Rider.

Stargazers: Structures

A stargazing tent for a chosen action figure.

A Child's War: Mechanisms

A wooden toy with oscillating, rotating or reciprocating movement, like those made during WW2.

Hola Mexico: Textiles

A Mexican-style canvas bag to be sold on a market stall.

Sow, Grow and Farm: Cooking and Nutrition

A fruit crumble, using fruit from the allotment, to be served as dessert during lunch time.

Off With Her Head: Textiles

A 3D felt Tudor rose brooch to be sold at a Tudor museum exhibition.

Frozen Kingdom: Electrical systems

An automatic nightlight for a child's bedroom during the winter.

Revolution: Cooking and Nutrition

A seasonal chunky vegetable soup, with Victorian themed packaging.

Pharaohs: Structures

A child's Egyptian-themed playground with a variety of structures and equipment.

Scream Machine: Mechanisms

A motorised Ferris wheel to create an interactive theme park display.
