

Subject Information Year 3/4

Soaring to success

History Lower Key Stage 2

In year 3/4, pupils begin to develop a chronologically secure knowledge and understanding of British, local and world history, establishing clear narratives within and across the periods they study. They note connections, contrasts and trends over time and develop the appropriate use of historical terms. They regularly address and sometimes devise historically valid questions about change, cause, similarity and difference, and significance. They begin to construct informed responses that involve thoughtful selection and organisation of relevant historical information. They also begin to understand how our knowledge of the past is constructed from a range of sources.

Children are taught about:

- The local history and heritage of Rochdale, including the beginning of the cooperative and the impact that the Industrial Revolution had on Rochdale.
- Ancient Greece and its impact on modern society.
- The Stone Age, Bronze Age and Iron Age.
- The Vikings.
- The Romans.
- Pompeii and the Eruption of Mount Vesuvius.
