| <b>Teaching School Alliance</b> | The Arch Alliance            |

**Area(s) of Expertise**

- Outstanding teaching & learning
- Mathematics subject leader
- Assessment lead
- NQT Mentor

Hannah is an experienced KS2 teacher who has worked across the key stage. Over the last 5 years, she has worked as a year 6 teacher leading Key Stage 2 and as the Maths subject leader. Hannah has supported the teaching and learning of mathematics throughout school and most recently she has led CPD and training to embed the mastery approach which has seen significant improvements throughout the school.

As part of the senior management team (Assistant Head), she has driven the school forward from special measures to outstanding in all areas. She is also lead for assessment; confident in analysing data, supporting school action plans and monitoring.

**Current Leadership Responsibilities**

Assistant Head – working alongside the Head Teacher and Deputy Head Teacher in ensuring the high standards are maintained across the school to guarantee that every child gets the best education that they deserve.

Maths Manager – lead maths across the school (EYFS, KS1 and KS2).

Assessment Lead - ensuring children across the whole school are making progress. She is experienced in analysing data and targeting areas of concern. Hannah reports to the Headteacher and Governors, therefore securing accountability across the whole school and ensuring transparency.

Mastery Specialist for the North West 1 Maths Hub – provide training and support for schools using a TRG (teacher research group) to embed mastery in their school.
