

Soaring to success

History

How can Parents Help?

Parents, you can help by looking through the knowledge organisers with your children (handed out at the start of each half term). You can also talk about how places are changing and why they might be changing. Encourage your child to talk to older members of the family to find out about how their lives were different growing up. Help them to investigate the history of our local area: what has changed? What has remained the same?
