

KENTMERE ACADEMY AND NURSERY

YEAR 1/2 OPTIONAL HOMEWORK MENU – Spring 2019

Art/DT

Design and create a model of a famous structure from around the world, using junk materials found at home. Will you choose London Bridge, the Leaning Tower of Pisa or perhaps Statue of Liberty? Find a photograph of your chosen landmark to use as inspiration.

English

Make your own information book about castles, bridges and tunnels. What fascinating facts can you find out to amaze your friends and teachers?

Science

Why not find out what castles were built of and what houses and buildings are made of now. What is different and why?

Maths

To solve maths problems in everyday life.
Eg. 4 people are eating at the dinner table. How many knives and forks would you need altogether?

Year 1 / 2 Homework Menu Spring Term

History

Why not build a castle out of junk modelling materials and label the castle inside and out. Perhaps you could find out about the 'loopholes' or the 'garderobes'.

Religious Education

To create a comic strip linked to a Bible passage including speech bubbles.

ICT

Search the Web to find out about the life and work of Brunel (with adult support). Draw a picture or type up what you have found out.

ICT

Go on a bridge hunt with an adult around the local area, taking pictures to show the rest of the class. What type of bridge have you seen? Choose the most interesting one and see what you can find out about it online or at the local library.

Physical Education

Play a tumbling tower game such as Jenga. What are the best ways of keeping the tower upright? See if you can take some action shots of your tower as it falls.

**Celebration Date:
29th March 2019**

Geography

Find, on a world map or globe, all the famous landmarks you would like to visit. Which continents are they in? How would you get there? Make an information book giving information about each country or city.
