

We place great importance on enrichment at Kentmere.

## Music Enrichment

At Kentmere, alongside their class music lesson, we have a 2-year plan so children in KS1 and KS2 learn a different instrument each year. These lessons are provided by the Rochdale Music Service.

	Cycle A	Cycle B
Year 1/2	Djembe	Glockenspiels
Year 3/4	Ukulele	Fife
Year 5/6	Strings	Guitar

We also offer free specialist group instrumental tuition in brass instruments and the drums where we provide the children with a brass instrument to borrow. Our highly experienced and dedicated Peripatetic teachers work with the children during the day and support the children in achieving recognised qualifications with the Associate Board of the Royal Schools Of Music (ABRSM). The children are also invited to join Kentmere Brass Band where they perform at different events throughout the year including the Rochdale Music Festival.

We have free after school clubs running throughout the year which includes musical theatre, choir, recorders and a Folk Group. Many of these groups then get the opportunity to perform at Rochdale Music Festival at Rochdale Town Hall.

The children also work with iSing Pop at least once a year. The children learn a range of songs and routines, which they then get the opportunity to record their own album and perform a concert to their parents.
