Dear Parent/Carers,

Nursery and Reception have been given the exciting opportunity to take part it a musical story telling session with members of the BBC Philharmonic Orchestra.

This will take place in school on **Monday 18th March** in the morning.

**For this session only, if your child usually attends the afternoon nursery session, they should attend the morning session on this day, (8.15am – 11.15am) to participate with the activity.**

Full time nursery children will remain in school as usual.
