Dear Parents/Carers,

This half term the children will be learning about animals as part of our vocabulary lessons. We will initially be focusing on pets. We have sent a text message asking for any photographs you may wish to share of the children's pets.

As part of this we would like the children to have the opportunity to meet some pets which belong to members of staff. This activity will take place in an open/large area either outside on the playground or in the school hall (weather dependent).

Children will not be made to go near or touch the animals if they do not wish to do so. Please speak to a member of staff if your child has any allergies or if you have any questions or concerns.

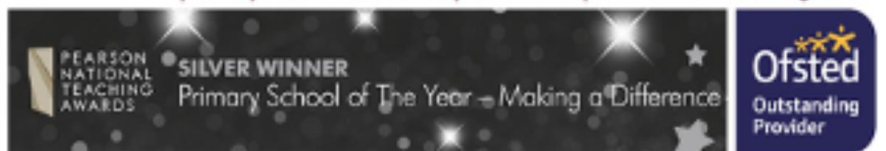

We would like to continue to provide your children with as many first hand experiences as possible and we thank you for your understanding and cooperation in this matter.

Many thanks

Mrs Shearman and Mrs Blackburn.
