

KENTMERE ACADEMY AND NURSERY

YEAR 3 / 4 OPTIONAL HOMEWORK MENU – Autumn Term 1

Art

Look at Fruit Faces by the artist Arcimboldo. Try to create a picture in the same style.

Maths

Work out how much of each food-type you eat in a day eg how much sugar, protein, carbohydrate you have. How healthy are you?

Science

Design an experiment to find out which chocolate melts the slowest (white, milk, dark...)?

Music

Find items around the home that could be used to make percussion instruments eg dried beans in a box to make a maraca!

Homework Menu Autumn 1

Design Technology

If you could invent a new chocolate bar, what would it be? Think about the name and packaging too.

English

Roald Dahl had his own nonsense Gobbelfunk language! Research the famous nonsense poem On the Ning Nang Nong and try to write your own poem in a similar style.

History

Research and write about the life and work of James Lind.

Computing

Design a poster that will help children stay safe when using the Internet

Physical Education

Make up a playground game that younger children could play.

PSHCE

Write a recipe for being a good friend, eg Take 3 teaspoons of kindness and mix it with 10g of patience...
