

11th February 2019

Dear Parents / Carers

As part of our topic next half term, the children in Reception will be visiting a small working farm in Norden. We will be looking at the different animals that can be found on the farm and how they are looked after.

The children will go in small groups. The morning group will leave school at 8.30 and will return in time for lunch, and the afternoon group will leave after lunch and will return in time for the end of the school day.

Group 1 will visit on Monday 25th February in the morning.

Group 2 will visit on Monday 25th February in the afternoon

Group 3 will visit on Tuesday 26th February in the afternoon

The children will travel in the school minibus and there will be no charge for this trip.

There will be an opportunity for the children to stroke/handle some animals. If your child has an allergy, please make your child's class teacher aware of this.

Please complete and return the permission slip below if you wish your child to take part in this visit by **Friday 15th February 2019** .

Yours faithfully

C Moseley
