

We place great importance on enrichment at Kentmere.

Soaring to success

Maths Enrichment

To support children with their times tables at school we have a weekly Times Tables Rockstars club that is open to all children in KS2.

We have a termly Times Table Rockstars Day where the children dress up as a Rockstar. We have a school competition to find out who the champion of each year group is.

Each year, we celebrate World Maths Day by completing lots of exciting and engaging activities in and outside of the classroom which involves the wider curriculum.
