Maths

Sort with Teddy – Collect a selection of objects (buttons, socks, toys, leaves or blocks). Sort them by colour, size, shape or type.
Which group has more? Which has fewer? Can you think of another way to sort them?

English

Name writing – Practise writing our name. You could write it on paper, in glitter or with paint!
Be as creative as you like!

PSHE

Looking after our bodies - Practise getting dressed and brushing your teeth by yourself.
Help a grown up to make a healthy dinner or snack.

Physical Education

Teddy Obstacle Course – Create a simple obstacle course for your teddy using cushions, tunnels or chairs. Can you balance and carefully move teddy through the course?

Understanding the World

Teddy's Local Walk – Take your teddy on a short walk around your local area. Talk about the different things you can see. You could take pictures or draw one yourself.

By the end of this half term we hope that most children will be beginning to demonstrate the skills below. These are a guide to help you understand what we are working towards in school and how you can support your child at home.

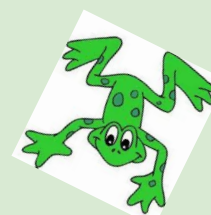

Area of Learning	End of Autumn 1 Expectations
