

15th July 2026

Dear Parents, Carers and Friends of Kentmere,

I am writing to share some incredibly exciting and important news regarding the future leadership of our school.

I am delighted to announce that Miss Claire Moseley has been officially appointed as the new Head of School for Kentmere, effective from 1st September 2026. Miss Moseley has worked at Kentmere as part of the leadership team for over a decade. She has been an instrumental player in the transformation of our school, moving it from Special Measures to Outstanding.

Many of you will already know Miss Moseley as an exemplary educator who is deeply committed to the success, well-being and happiness of our pupils. Her passion for teaching, her high expectations for academic excellence and her warm, approachable nature make her the perfect leader to guide Kentmere into its next exciting chapter.

While Miss Moseley will take on the day-to-day running of Kentmere, she will not be embarking on this journey alone. I am pleased to reassure you that she will be supported by a highly experienced and strong leadership team and part time Executive Headteacher.

This leadership structure ensures that our school remains stable, focused and ambitious.

"I am absolutely thrilled and honoured to take on the role of Head of School. Kentmere is a wonderfully vibrant community, and alongside our fantastic leadership team and staff, I look forward to building on our success and ensuring every child reaches their full potential."

— Miss Claire Moseley

Thank you, as always, for your continued support, partnership, and dedication to our school community.

Warmest regards,

Mrs N Howard (Headteacher)
