

Tuesday 21st July 2026

Dear Parents/ Carers,

As we approach the end of a fantastic year, Year 5 are hoping to watch the film adaptation of *Holes* on our penultimate day of term on Thursday 23rd July. Throughout this term, year 5 children have thoroughly enjoyed reading *Holes* in class, and we would like to celebrate the end of the year by watching the film together and comparing it with the book.

Please note that *Holes* is rated **PG (Parental Guidance)** by the BBFC. While the film is generally suitable for children aged 8 and over, some scenes may be unsettling for younger viewers. If you do not wish for your child to watch the film, we will ensure alternative activities are provided.

Thank you for your continued support throughout the year.

Kind regards,

Mrs Hayward (KS2 teacher)

I give my parental consent for the child named below to watch the PG-rated film *Holes* on Thursday 23rd July.
