KENTMERE ACADEMY AND NURSERY

Year 1/2 Homework Menu - Autumn 2 2026

Maths
Make maps of the solar system and navigate the space rocket or ship to different planets using positional and directional language such as left, right, up and down.

English
Visit your local library and search for some space themed books to take home and read.

Science
Make your own planets and stars out of junk modelling resources labelling which star is the brightest. You could also work out which constellation is the easiest to recognise and have a look for them on a starry night with an adult.

History
Make a poster including interesting facts about famous astronauts such as Neil Armstrong, Tim Peake, Sally Ride or Helen Sharman.

Homework Menu
Autumn 2
Year 1/2

Geography
Draw a simple map of your journey to school.
Include 3–5 landmarks you pass (shops, parks, crossings, church, river).
Add a title and a simple key using symbols

Art
Make a telescope rom recycled objects and decorate this with some useful facts about space.

Music
Spend time as a family making your own space song or rhyme.

Physical Education
Spend time making up dances for familiar rhymes such as 5 little men in a flying saucer or twinkle, twinkle, little star.

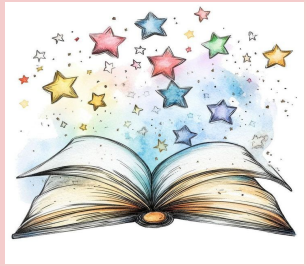

RE
Find out about Mother Teresa and Dr Barnado and how they cared for others.

Please complete any 2 subjects.
Pictures can be sent via email to office@kentmereacademy.co.uk

PSHE
Spend time researching and finding out about Remembrance Day and who we remember. You could make a poster or a fact file to share this information.
