KENTMERE ACADEMY AND NURSERY

CURRICULUM TOPIC WEB FOR PARENTS

Autumn Term 2
Reception
When the Wind Blows...

Understanding the World

In Science, we will be talking about our birth and the similarities and differences between ourselves and others.

In R.E., we will be talking about the meaning of Remembrance Day, and will celebrate the festivals of Diwali and Christmas.

In ICT, we continue to increase our control of the mouse whilst using various programmes.

Maths

We will be recognising our number bonds to 5 and will begin to say the addition sentence to match. We will be counting different objects to 9 and matching them to the correct numeral. As we learn each number, we will be looking at the number which comes before/after and sequencing the numbers in the correct order.

English

We will be reading books about Autumn and talking about nature. We will take a trip to the park and write a list of all the different objects we find and the changes we see in Autumn. We will talk about different nocturnal animals and write some facts about them.

In phonics, we will be learning the sounds of each letter. We will be learning to read simple words by sounding them out and will begin to read short sentences. We will also learn to write the matching letter using the rhyme to help us.

Communication & Language

We will be listening to stories and answering simple questions about them. We will be answering who? What? and where? questions and talking about the things we like and dislike. The adults in the class will be supporting us to speak in full sentences and will remind us to use our manners throughout the day.

Physical Development

We will be learning to control an object in different ways, passing over, under and towards each other, using our hands and feet.

Please ensure that all your child's uniform and P.E. kit is labelled with their name.

Personal, Social & Emotional Development

We will be learning about the importance of friendship and what makes a good friend. We will talk about our emotions and how we can see how other people are feeling. We will learn how to be kind and considerate towards other people.

Expressive Arts & Design

We will be mixing and experimenting with different colours and sizes of paintbrushes we want to use to paint Autumn tree pictures. We will also be printing using leaves and sticks that we have collected outside.

We will also be singing different songs for our Christmas production.

Dates for your Diary

Monday 9th November – Children return to school
Wednesday 11th November – Remembrance Day
Friday 13th November – Non Uniform Day
Friday 20th November - Sunshine Day
Wednesday 2nd/Thursday 3rd - EYFS Christmas Show
